

Weardale Railway Locomotive Preservation Group

Membership Form

Introduction

The Weardale Railway Locomotive Preservation Group was set up with the main aim of providing motive power and rolling stock for the Weardale Railway.

The Group currently own Norwood an 0-6-0 saddle tank locomotive, two diesel locomotives and various rolling stock. The current major project is the restoration of Norwood, estimated overhaul at £70,000.

The group's aim is to acquire a collection of locomotives over future years and support the railways operation.

How can you help?

Simply by becoming a member, your membership fee can help contribute towards Norwood's restoration. You can also become a working member at the Weardale Railway working on vehicle restoration or make a donation

Please complete the form and return, to:
Weardale Railway Locomotive Preservation Group, 64 South Street,
Spennymoor, County Durham, DL16 7TX
